Dear readers of Bridge of Allan Times

Please allow us to introduce ourselves: Direct Vehicle Options is in its 12th year as a vehicle supplier and fleet management company. Whether you are a private individual or a large company you will get the same high standard of customer care.

WHAT WE OFFER

Sales - *If you are thinking of changing a car, 4 x 4 or van, then please give me a call. If we cannot supply the vehicle you require then hopefully we can give you sound advice for a better deal.*

Servicing - *We offer a full uplift and delivery service while your car is being serviced by us, or can provide a courtesy car if required. We can maintain the manufacturer's warranty at considerably less than the main dealer.*

We are a family owned business that will provide you with a high standard of customer service and good value for money.

Services offered:

- 1. Vehicle service and maintenance*
- 2. Vehicle diagnostics*
- 3. Tyres and exhausts*
- 4. Vehicle sales and fleet management*
- 5. Finance available.*

So whatever requirements you have, please give us a call.
